Inland Waterways Authority of India (IWAI) is a statutory body under Ministry of Shipping, Government of India. IWAI was set up in 1986 for regulation and development of inland waterways for the purposes of shipping and navigation. IWAI is primarily responsible for development, maintenance and regulation of Inland Water Transport (IWT) in the country and specifically National Waterways (NW).

World Bank has been requested to provide Technical Assistance and Investment Support for a Project for development of Haldia - Allahabad stretch of National Waterway-1 for navigation with least available depth (LAD) of 2.5 to 3.0 meters (Jal Marg Vikas). The Project will involve construction of permanent river training works, barrages, navigational locks, terminals for cargo handling, night navigation facilities, channel marking, dredging etc. IWAI is the Implementing Agency (IA).

A Project Management Unit (PMU) is being set-up to initiate institutional arrangements for preparation and pre-appraisal activities pertaining to the project. The PMU is desirous to engage following domain specialists/consultants on short-term basis (initially for 1 year) for institutional strengthening and capacity development of PMU.
